KIAUTSCHOU, 1900

2. TSINGTAU - Provisional, double overprint "5 Pf." (Type I, oval stop after "fo"), Michel Cat. No. 2 I. on picture postcard addressed to Uelzen, Germany.

In my opinion it's a genuine provisional and correct used on this postcard to Germany.

The card is signed twice by CARL H. LANGE (in different size) and bears his pencil signature.

CARL H. LANGE was a well known german expert, living in Hamburg where he died in 1970.

The card is addressed to Mr. F. Lange a uncle of CARL H. LANGE.
