Dear Sir, I thought you had send me some mail on the Mariposa, but at all I got left & wished very much to know why you did not send me any mail. You know very well the mail you send down to me about 3 months ago or more I kept it for myself, and I did not send back to you, saying that they were common. they were very good stamps indeed, but I had nearl- all of them. When I received the letter, I was glad, to see that you were kind a-nough to send me them stamps. When the steamer came in I went to the Post Office to see if there was any letter for me. But there was none. I was very sorry. I send back to you 75 Hawaiian stamps in exchange for yours and a news-paper extra for you to read the news. If you did not receive all this, I cant help it. I dont want you to get angry and dont send me any supplies. I have been selling stamps for the Scott Stamp and Coin Company for the past 5 years one of the greatest stamp firms in the United States. I always had everything square with him, he used to give me 30 per cent. I want to buy stamps from you and sell any amount for you. I could not write letter because I was late and had hardly any time to write it. Address Honolulu Iron Work Pattern Shop. A... Freitas
